Sandeep Joshi

Web Developer

Phone: 07456857123

Address: C/O tara datt , Mohini villa, Jai garjia mata colony, himmatpur talla, Bhagwanpur Road, haldwani, Nainital

Email: sjofficial12223@gmail.com

Passionate and creative web developer with a solid foundation in front-end and back-end technologies, including HTML, CSS, JavaScript, and Node.js. Dedicated to building responsive and user-friendly websites that deliver exceptional user experiences. I am excited to leverage my problem-solving skills and am eager to learn and adapt to new technologies. As a recent graduate with a strong academic background, I'm enthusiastic about contributing to innovative projects and collaborating with talented teams to bring captivating web solutions to life.

   - Implement data quality checks and resolve discrepancies

PROJECTS

Online Portfolio Website
May 2023

http://Google.com

My portfolio is a carefully curated collection of web development projects that demonstrate my skills, creativity, and experience in designing and building interactive and responsive websites. It showcases a variety of projects I've worked on, ranging from front-end designs to full-stack applications. Each project description highlights the technologies utilized, the problems solved, and the results achieved. My portfolio serves as a visual representation of my expertise and a testament to

my passion for creating user-friendly and visually appealing web solutions.

SKILLS

- **Frontend**: HTML, CSS, Bootstrap, Tailwind, JavaScript
- **Backend**: Reach.js, Node.js, Java
- **Database**: MongoDB, MySQL
- Leadership and Team Management
- Good Communication skills
